Dear Sir or Madam:

On the reverse side of this letter you will find an application to renew your business license. Your application is based upon the previous year's license issued. If your fee is based upon the amount of capital invested or value of goods, stocks, furniture and fixtures or amount of sales or receipts as required for disclosure in order to obtain a business license, you must calculate and pay the additional license fee. Your application will not be accepted if you fail to do so and may result in additional penalties and interest.

Each person, firm, company, association, agency, corporation or other legal entity engaged in business shall obtain and pay for a business license.

RDS is the administering agent for your municipality's business license.

Definition of Gross Receipts: If the business has a physical location within the municipality, all gross receipts for that location are used, including receipts from sales outside the municipality or within its police jurisdiction. However, if there are also branches located outside the municipality, only the sales made into the municipality by those branches would be included. Only receipts derived from sales within ALABAMA are included; sales into other states cannot be included as this would violate the US Constitution's Commerce Clause.

City / Town Limits: Boundaries which outline a municipality and are incorporated.

***Police Jurisdiction:** The area outside the incorporated municipality limits. Businesses located in this area are subject to purchase a business license per the municipality's ordinance. Those businesses located in this area may receive, but are not limited to, police, fire, safety, water, sewer, public health, safety protection from the municipality.

Business closed or no longer doing business? If your business has been closed or you are no longer doing business in the municipality, please check the business closed box located on the application and fax to the attention of the Business License Department at (205) 423-4099. You may also email RDS at bizlicensesupport@revds.com.
