

Library Patio Policy

The Library patio is available for use only during the hours the library is open.

Entrance to the patio is through the front door of the library.
The gate on the patio is exit only and is not intended to be used as an entrance.

The patio is not available for special events or available for reservation.
The furniture on the patio is a first come first serve basis.

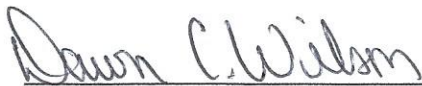

The patio is intended for patron use for gathering, reading, study, or work.
Library programming will be held on the patio and will take precedence.

The patio is not intended for individual or group exercise.
The community center meets that need.

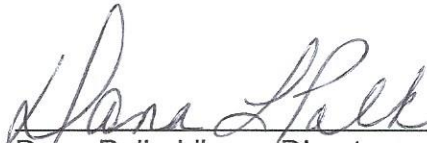

No pets on the patio – trained service animals (or in training) welcome

Leave no trace – clean up behind yourself and throw away your trash.

No smoking is permitted in this area.
